

# The Community Feast

# BACKGROUND

The Ask?

**Families requested a place where they could meet and talk to providers while sharing a meal**

The Response...

**Creation of The Feast** — A place where women, moms, families, community leaders, and providers come together to share a neighborhood meal

- ✓ Increases empathy and trust among families & resources
- ✓ Builds relationships
- ✓ Creates connections for collaboration

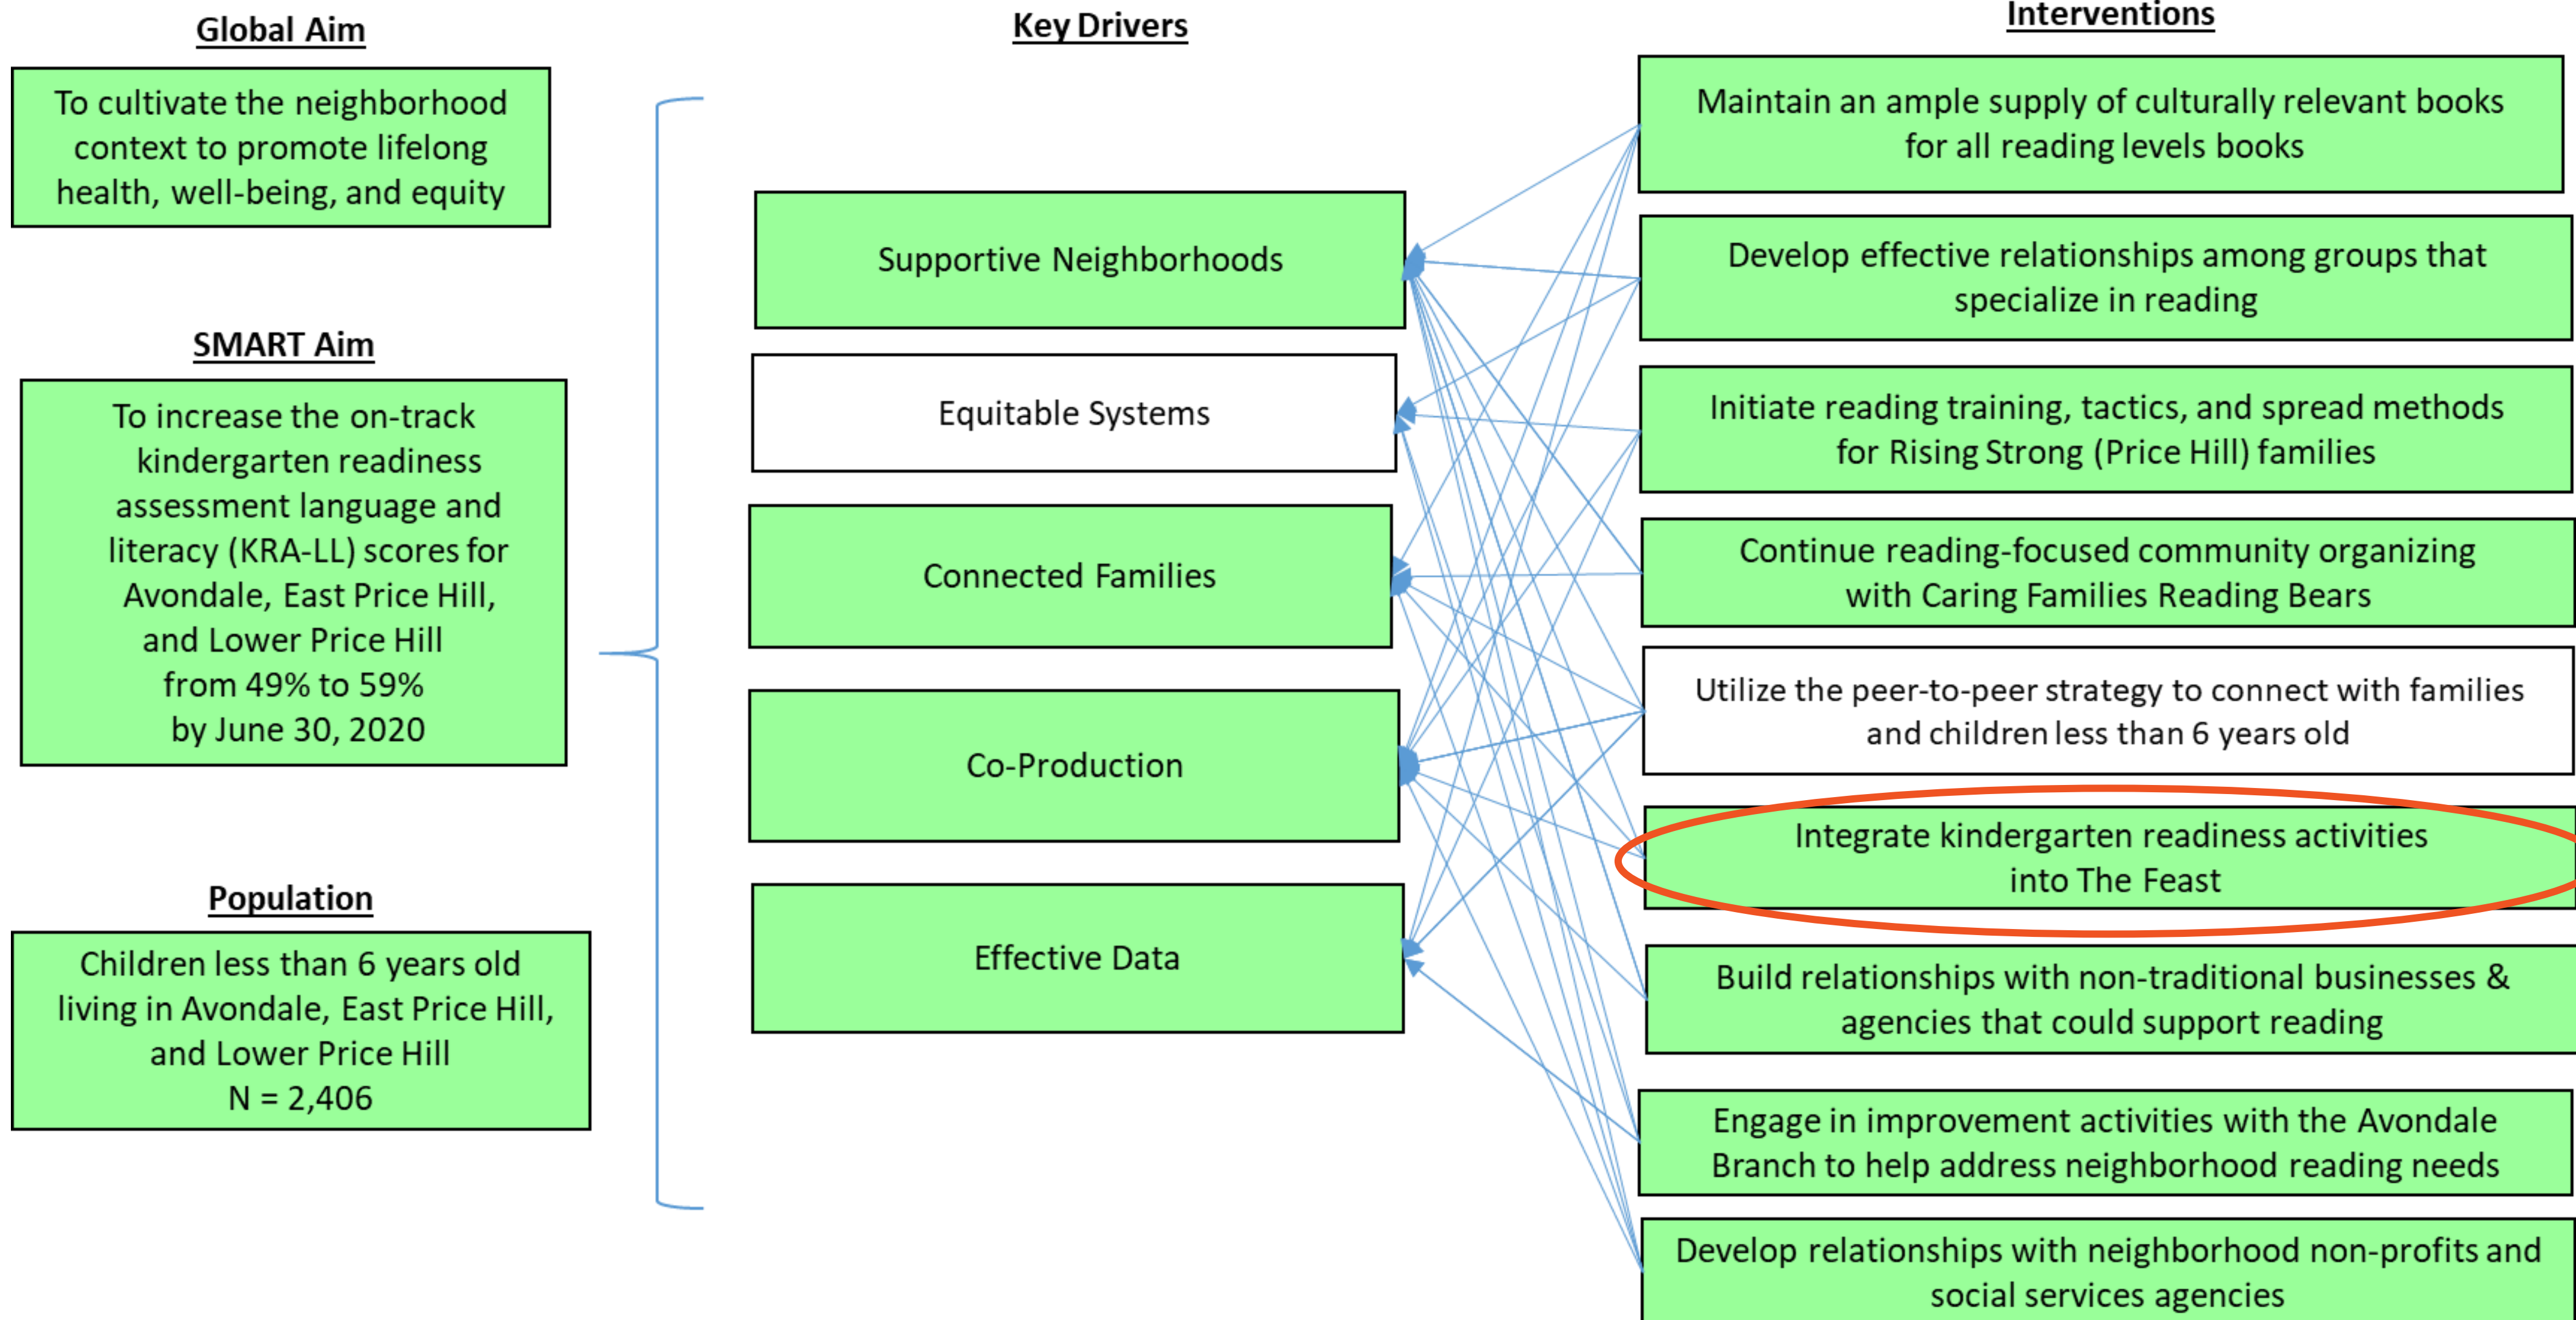

# THEORY

## Well-Being with Community **NEIGHBORHOOD CONTEXT** Key Driver Diagram (KDD)

Priority Leader: Carley Riley

Revision Date: 11/8/2019 (v7)

# LEARNING CYCLES

\*To be completed after completion of each PDSA test cycle

## Ramp Summary

### Bringing Books to Life

	Test Cycle 1	Test Cycle 2	Test Cycle 3	Test Cycle 4
<b>Test Description: To have active engagement with books</b>	Local author, Christine Gibson, attends Feast to host a reading of her new children's book.	Local pediatrician, Dr. Joe Real, attends Feast to discuss flu shots and vaccines in collaboration with reading of The Shot book.	Feast features Dr. John Hutton and parents modeling interactive reading styles with Feast families.	
<b>Test Population:</b>	Feast families	Feast families	Feast families	
<b>Location of test:</b>	Gabriel's Place	Gabriel's Place	Waggle (tentative) Avondale's newest restaurant	
<b>Duration (# hours/days/shifts/etc):</b>	Wednesday, September 26, 2019 from 5-7pm	Wednesday, October 23, 2019 from 5-7pm	Wednesday, January 22, 2020 From 5-7pm	
<b>Executed by:</b>	Parent facilitator & Christine Gibson	Parent facilitator & Joe Real	Parent facilitator & John Hutton	
<b>Test Results: Record feedback and responses to activities associated with books</b>	24 parents attended the Feast. 8 children attended the Feast. Community members enjoyed meeting an author and seeing themselves reflected in the story. It was exciting to have Christine read aloud and sign copies of her book!	23 attendees engaged in discussion with Dr. Real about vaccines. Over 15 children were able to ask questions about what it is like to get a shot and everyone received a copy of The Shot book, which teaches about the importance of immunity and takes the stress out of going to the doctor.	TBD	
<b>Action (Adapt, Adopt or Abandon):</b>	Adapt: We will continue to test with a different book.	Adapt: We will continue to test with a different book/literacy activity.	TBD	

# RESULTS

Number of Participants Attending Monthly Family Feasts

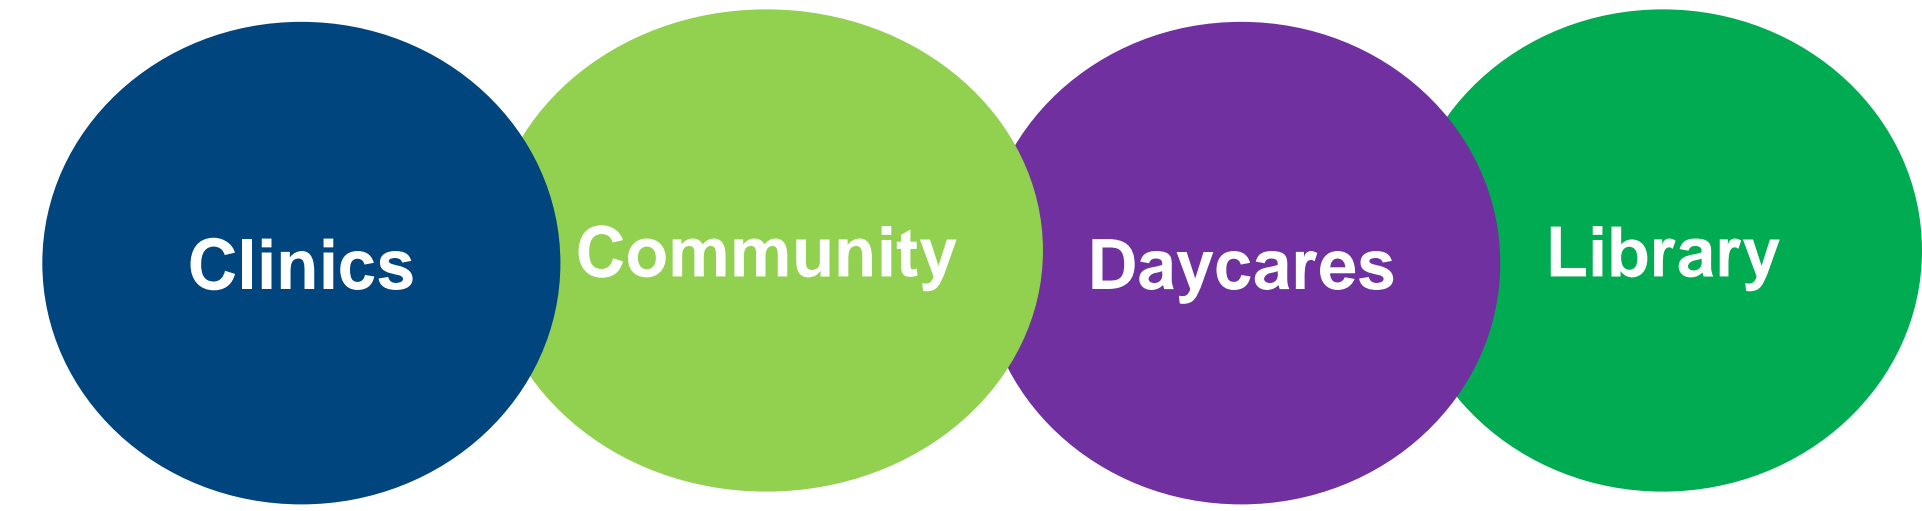

## Feast Attendance

- Attendee makeup:  
67% Families  
15% Healthcare providers  
15% Staff Support  
3% Volunteer
- Parents and families make-up the largest attending group
- Attendance declines during winter months (seasonal trend)

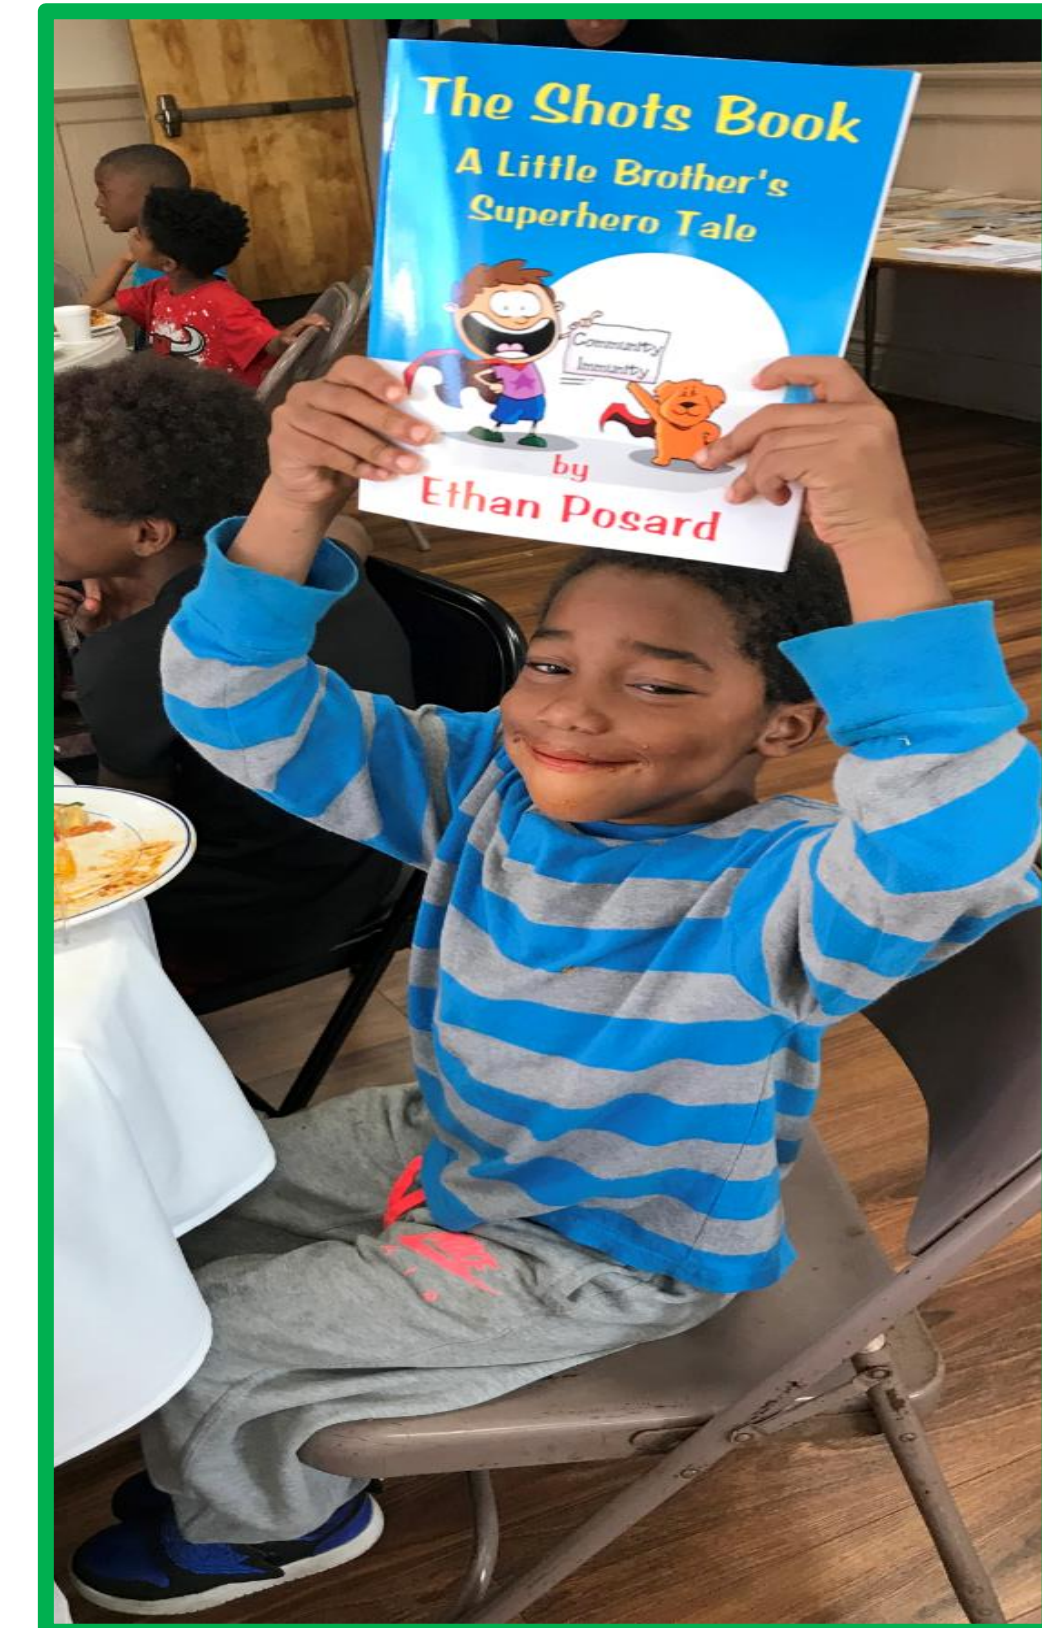

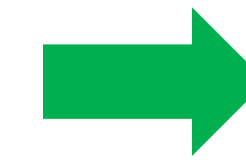

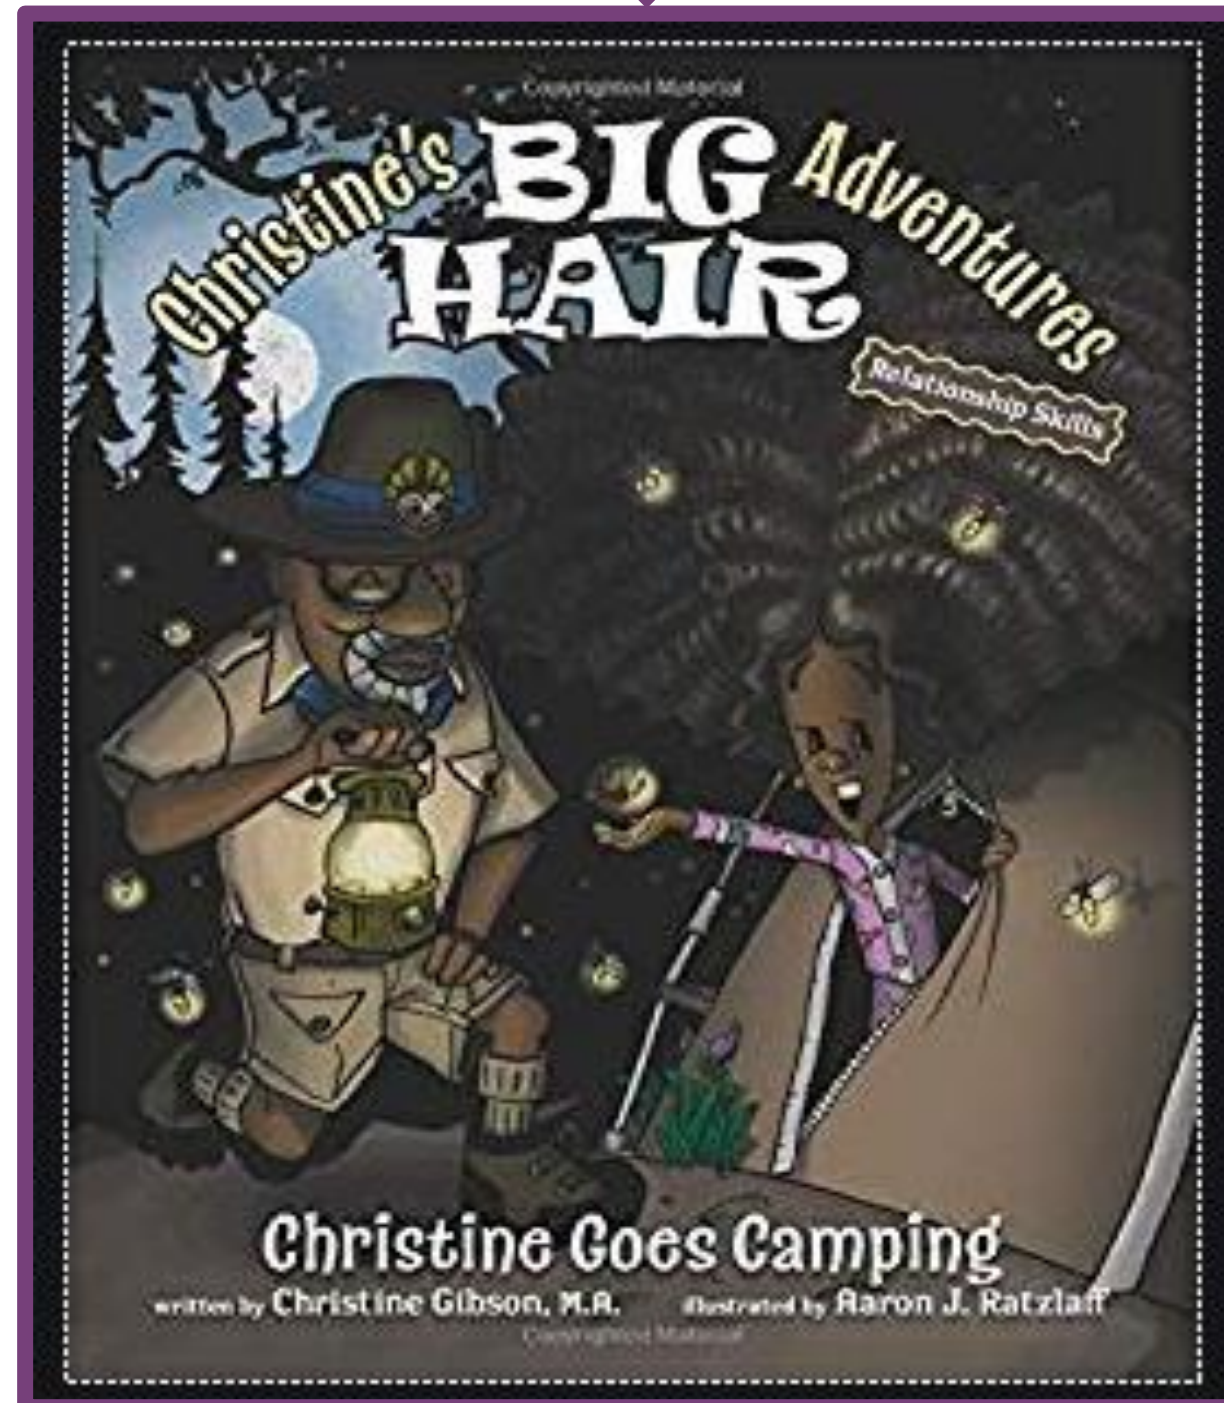

# MOST PROUD & WHY

## Role Model PDSA!

African American author Christine Gibson spoke to families about **relationships & self-appreciation** and signed books for all for all

## A Place To Learn!

Dr. Joe Real spoke to parents & children about the **benefits of getting a flu shot**

# GREATEST CHALLENGE

How do we connect to more families?

## TEAM MEMBERS

**Tina Brown**, Parent Facilitator  
**Sonya Brady**, Parent Volunteer
