

WHOLE CHILD, WHOLE FAMILY, WHOLE COMMUNITY

All Children Thrive Learning Session
Wednesday, December 5th, 2018
Sharonville Convention Center
11355 Chester Rd, Cincinnati, OH 45246

The **vision** of the *All Children Thrive Learning Network* is to help ensure Cincinnati's 66,000 children are the healthiest in the nation through strong community partnerships.

Our **mission** is to bring community members - children, families, community and civic leaders, educators, social service providers, faith leaders, health care providers, researchers and others – together to collaborate, learn, formulate and answer questions, encourage discovery and implement findings to co-create an environment where children thrive.

Learning Session Objectives

1. **Build Connections and Solve Problems:** Continue to build new connections and network across the ACT Network to solve problems, to help further our goal of Cincinnati's children being the healthiest in the nation.
2. **Learn New Skills or Strengthen Existing Skills:** Build new Quality Improvement skills or strengthen existing skills to achieve our ACT Network goals.
3. **Identify Promising Quality Improvement Work in the Community and Celebrate Successes:** Improvement teams showcase their learning's and improvements for spread across the ACT Network and celebrate successes.
4. **Plan and Commit to Action:** Plan your team's next 6 months of action to move towards achieving the ACT Network goals: "I am celebrating my 1st Birthday", "Sickness isn't getting in the way of my play", "I am ready to succeed in school", and "We are awesome readers".

LEARNING SESSION QUALITY IMPROVEMENT SESSIONS OBJECTIVES

From One to Many: Calling Others to Action

Participants will apply basic community organizing strategies to:

11:00 – 12:00

- Identify people who can help them reach their goals.
- Discuss values, interests, challenges and concerns that may link one another to common cause.
- Practice techniques to build relationships and call others to action.
- Plan how and when to activate others to support their work.

Storyboards Walk + Q&A

12:45 – 1:25

- Present updates on individual team work via storyboards.
- Utilize team stories, apply best practices across sites, work together to overcome barriers.
- Share tools to bolster network capacity and confidence.

Using Data to Drive Decisions

- Learn to dig deeper into your data for insights that can drive next action steps.
- Learn how to segment your data for insights when outcomes aren't moving.

Psychology of Change

1:30 – 2:30

- Learn how psychology of change plays a role in our ACT work teams focused on making Cincinnati's kids the healthiest in the nation.
- Learn to assess where you, and your team, are in the stages of change and commit to at least one action step to advance progress.

Telling Your Improvement Story Effectively

- Learn how to engage diverse audiences to ensure that they hear the message of your improvement story.
- Participants will learn, through examples, creative ways to use presentation techniques to discuss health equity.
